

**IGA Invitational 2021**  
**Covid Protocols**

1. Gymnasts are expected to arrive at the appropriate time for their session. Doors will open 15 min before their scheduled warm-up time. Parents will not be allowed in until all athletes have entered the facility and are on the gym floor.
2. Gymnasts must be in full competitive attire upon arrival. There are no change rooms available. Athletes are asked to bring their own container of chalk and a small towel to place under their chalk while preparing their grips. Community chalk buckets have been removed from the facility.
3. **Gymnasts** will enter through **Door B-girls washroom** at their scheduled time (15 min prior to warm-up). All belongings will be left in the Door B hallway, and all gymnasts will use the Door B bathroom. Gymnasts must sign in and wash hands upon arrival. Masks must be worn until they are on the gym floor.
4. Once all athletes are on the gym floor, **1 spectator per gymnast** will be allowed in for viewing. **Spectators** will enter through **Door A-main entrance**. Spectators must always wear a mask while inside the facility. Spectators must sign in and sanitize their hands upon entry. The entry fee for viewing will be collected ahead of time through your club representative.
5. There will be **marked X's on the bleachers** placed 6 ft apart. Please find an X, and remain on the X for the duration of the meet. If spectators require the restroom, please use the Door A washrooms.
6. There will be designated waiting areas for athletes on the gym floor. Athletes are expected to remain in these areas, and to maintain social distancing, while waiting for their turn on the apparatus.
7. Upon completion of the meet, **spectators will be asked to leave first**, through Door A. Once the spectators leave the building, the gymnasts will follow outside of Door B. Parents can meet their gymnasts outside of Door B.
